Waiver Part 1: "Acknowledgment of Personal Responsibility"

GingerRoot Wild Food Rendezvous

June 22-25, 2018

Each person / spouse / adult must read, understand, accept, initial, sign, and deliver Waiver Part 1, Waiver Part 2, and a registration form (Part 3) to Wild Food Adventures as a condition to attend the GingerRoot Wild Food Rendezvous.

THIS DOCUMENT HAS LEGAL SIGNIFICANCE. BY SIGNING IT YOU RECOGNIZE YOUR OWN PERSONAL RESPONSIBILITY FOR YOUR OWN HEALTH AND SAFETY. PLEASE READ CAREFULLY!

This document is in reference to John Kallas, Wild Food Adventures, the GingerRoot Rendezvous Event, Silverton Grange #748 and anyone working as their agents. All entities just listed will here-on-in be referred to either as "Dr. Kallas", or "WFA".

WFA offers individuals the opportunity to participate in voluntary educational / recreational events for a fee. Each event in the out of doors involves risks and the potential for injury. Nature is not here for our convenience. We must respect its unpredictabilities as well as our own physical capabilities and limitations. A trip into natural habitats presents expected and unexpected risks associated with fording streams, exposure to cold and windy weather, slippery rocks and organisms, sharp objects we might fall on, animals that might attack us, trail obstacles we must overcome, forest objects that might fall on us, and cliff-side trails. To reach certain habitats we might venture into risky locations. With the aforementioned issues in mind, I hereby state that I was informed of and agree to the following...

I understand that it is my responsibility as an adult to come fully prepared for any and all weather conditions I might encounter in the diverse events planned for the event known as "GingerRoot Wild Food Rendezvous". I understand that the terrain we'll be traversing might be 3-dimensional, slippery, sharp, and rocky. I understand, as an adult, that any injuries I incur while participating in WFA events are my own responsibility. I am the sole judge of my own capabilities and limitations. If I follow Dr. Kallas or anyone into what I consider an unsafe area, it is my choice to do so. I also understand that during any workshop, trip, or event, Dr. Kallas will be preoccupied with looking for plants, habitats, and access to them. This means that he will not be able to watch or supervise the movement or actions of participants or any minors of those participants. Should an injury occur, WFA will take reasonable steps to assist the injured party acquire appropriate medical attention. The injured party will be responsible for paying any bills or fees associated with the reaction to, the treatment of, and the consequences of that injury.

I have carefully read, understand, and agree with the above statements. Initial _____

I understand that car pooling to and from WFA events and locations are voluntary activities done to save fuel, resources and the environment. Car pooling is a personal choice and relationship between drivers and passengers. It is outside the scope of any WFA event, and outside the responsibility of WFA, to screen drivers. Any injuries to myself or my property during transportation to and from WFA events are not the responsibility of WFA or its representatives.

I have carefully read, understand, and agree with the above statements. Initial _____

As a participant in any WFA event: I understand that eating any new food involves potential risk. I understand that my physiology may be unique and/or that the plants I sample may have unique biochemistries - any combination of which may result in my injury. I understand that I am not expected or required to eat or sample wild foods during or after events. I have the option of bringing my own food and just observing. I also understand that the instructor may be able to ingest foods safely that I may not. If I decide to eat or sample foods covered (or not covered) in any WFA event, it is because I voluntarily choose to do so knowing that potential harm may result and knowing that I am fully responsible for my own actions and any resulting consequences. I completely understand that WFA is not responsible for any negative consequences that I experience from ingesting parts of wild plants during or after WFA events.

I have carefully read, understand, and agree with the above statements. Initial _____

If at any point during the GingerRoot, I show signs of any serious medical condition, I authorize WFA to provide whatever support they can offer until an ambulance can arrive and/or I can be taken to professional medical care. I agree to release, indemnify, and hold harmless WFA and any of their agents from lawsuit, claim, demand, or action against them for administering well-intentioned aid and any resulting consequences.

I have carefully read, understand, and agree with the above statements. Initial _____

IT IS THE INTENTION OF THE UNDERSIGNED BY THIS RELEASE TO EXEMPT AND RELIEVE WILD FOOD ADVENTURES, JOHN KALLAS, SILVERTON GRANGE, THEIR AGENTS, ASSISTANTS, AND VOLUNTEERS FROM LIABILITY FOR PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE CAUSED BY PARTICIPATION IN ANY WFA EVENT.

I, the undersigned, have read this "Acknowledgment of Personal Responsibility", understand its legal significance, and agree that this Release shall be construed in accordance with, and governed by Oregon law. If any provision of this release Part 1, and Part 2 are found to be unenforceable, the remaining terms shall be enforceable.
